Dear potential partner,

We know we're early, but Christmas is only 6 months away, and we heard Santa will be coming to town! As you might know, here at the Foster and Adoptive Parent Advocacy Center in Washington, DC, we collect Christmas gifts for children in foster care. We distribute the gifts during our **Christmas for Kids in Foster Care** event for several hundred children who have been separated from their siblings. During this heartfelt reunification event, every child who attends receives a gift and enjoys reconnecting with siblings and family. Children enjoy fun activities, games, and a great meal. We collect about 200 new gifts each year, and last year, thanks to amazing partners we collected a record of 314 gifts for children and their siblings!

This event is only possible because of general donors and corporate partners who contribute and volunteer! We invite you to partner with us for this heartwarming event this year on December 9, 2023. Here is how you can partner with us:

Host an Employee Fundraising Campaign

Encourage your employees to donate dollars through our website at www.dcfapac.org/christmas or on your donation platform. The corporate partners with the highest dollar donation amount or the largest number of donors will receive our Corporate Partner of the Year Award. All donations are tax-deductible.

Group Volunteer

Encourage your employees to volunteer as a group and wear your corporate shirts! We recruit up to 30 volunteers to stage the event and wrap presents the morning of the event. Volunteering begins at 9am and ends at 2pm. Lunch and refreshments will be provided. This is a great picture opportunity!

Other Ideas

We are open to hearing your ideas for partnering with us.

More details are included in subsequent pages. To partner with us or if you have any questions, please email najibah@dcfapac.org. Thank you for considering supporting Christmas for Kids in Foster Care!
