Dear potential partner,

We know we're early, but Christmas will be here soon and we heard Santa will be coming to town! As you might know, here at the Foster and Adoptive Parent Advocacy Center (FAPAC), in addition to advocating for children and families in foster care, we also collect Christmas gifts! We distribute the gifts during our **Christmas for Kids in Foster Care** event in December, to several hundred children who might have been separated from their siblings. During this heartfelt reunification event, every child who attends receives a gift and enjoys reconnecting with siblings and family. Children also enjoy fun activities, games, and a great meal, thanks to amazing partners who volunteer and donate!

We invite you to be one of our partners this year, for this heartwarming event which will take place the second week of December. Here is how you can partner with us:

DONATE

Donations can be made in your preferred method, to include check, credit card online at dcfapac.org/christmas, or by CashApp \$DCFAPAC. Please mail checks to FAPAC, 508 Kennedy St. NW, Suite 303, Washington, DC 20011.

VOLUNTEER

Individuals and groups are invited to volunteer during the event. Volunteers will assist between 9am to 2pm to help setup the space, wrap gifts, assist children with decorating activities, and help them find their gifts under the christmas tree. Register to volunteer at dcfapac.org/christmas.

HOST A PACKING EVENT

Groups are invited to host a packing party, to pack comforting items in backpacks, and include encouraging notes to each child. FAPAC will pick up the packed items whenever they ready, prior to the Christmas event. Packed items can include stuffed animals, books, blankets that are non-gender specific. Contact FAPAC for more details at info@dcfapac.org.

We are also open to hearing your ideas for partnering with us. We hope you will consider our request.

Respectfully,

Najiba Hlemi
Executive Director
